

Dear GWG Members,

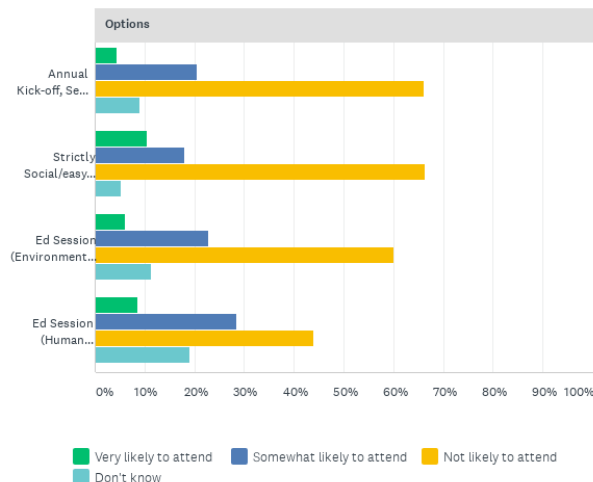

It's hard to believe it is already August. While days can seem to be going slowly, the weeks and months seem to be zooming by (pun intended)! GWG Co-Chairs and GWG committees have continued to move forward (usually via video conferencing) in their planning for 2020-2021, our fifteenth year. But the first half of our year will be different.

**Through December, all GWG events will be virtual :**

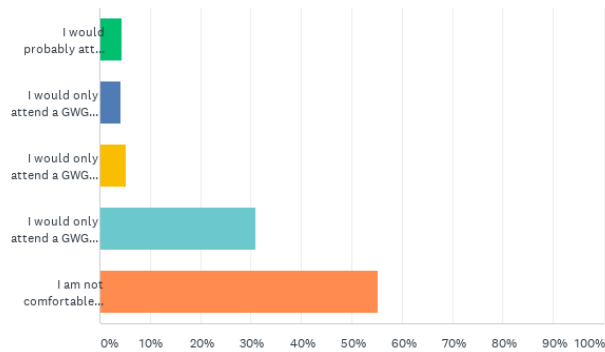

- **Kickoff, September 17 at 5:30 pm will be via ZOOM with special GWG touches**, watch for your invitation with all of the details
- **Education Event (Environment), September 30 will be a Webinar**, details coming soon
- **Education Event (Education), October 21 will be a Webinar**, details forthcoming
- **Education Event (Human Services), November 17 will be a Webinar**, details forthcoming

Thank you to everyone who took the recent survey. Your responses, as seen below, greatly influenced our decision.

Q1 How likely are you to attend these planned GWG events in person:

Q2 Which statement best describes your willingness to attend an indoor GWG event with 150 attendees during the remainder of 2020? Choose one.
