

February greetings to all! The prediction this week by Punxsutawney Phil of six more weeks of winter will not cool down our wonderful committees. From education to granting and SHERo, our members have been busy working and planning for the upcoming months!

Our *Grants Review Committee* has been conducting virtual site visits as they move forward in the granting process. In this challenging time for non-profits, facing continued financial strain and increased demand for services, **your contribution is as important as ever!** If you haven't sent in your annual contribution, please put it on your To Do List today.

Also, mark your calendar for our fifth and final Education session of the year on March 18th at 5:30pm. This virtual session will address *Sexual Assault Survivors Need Trauma-Informed Care*. Your invitation will be emailed soon.

Due to the restrictions on in-person gatherings and for everyone's safety, we will need to cancel the *Members Only Luncheon* planned for this month. This is a favorite event of our members and we will miss seeing you all. We hope that if conditions improve, we may be able to gather for a Members Only event in the summer.

We have some exciting news about our **SHERo** campaign this year! As you know, SHERoes are women who have inspired, encouraged and helped us along the way and this is a special way to honor them. *Our SHERo recognition will be expanded this year to honor our **SHERoes of COVID** – those special women who have worked tirelessly and selflessly during the pandemic.* These can be teachers, medical professionals, store checkout staff, mail carriers, mothers, daughters – anyone who has inspired you during this time. Each SHERo and the person honoring her will be listed in the **May 7 Greenville Journal**. This opportunity is not limited to GWG members, so feel free to share with friends and family. Watch your email for more details!

If you know someone who is interested in Greenville Women Giving, the *Membership Committee* has several upcoming Zoom information parties. Please contact Membership chair [Judy Suggs](#) if you have someone you would like to invite!

Thank you for your continued dedication to Greenville Women Giving and your generosity! *Together we are able to support great organizations and programs that make a lasting impact in our community.*
