

Happy Summer!

It was wonderful to see everyone (in person) at our 16th Annual Meeting last month! GWG members and guests celebrated awarding **6 grants totaling \$517,495**. Greenville Women Giving has now invested over **\$7.6 million** in Greenville County since our founding in 2006. Happy Sweet 16!

If you were not able to attend the event, here is the [link](#) to the **2022 grant recipient video** where you can learn more about the grants and the inspiring work of our nonprofit grant recipients. *We look forward to watching our partnerships with these organizations help grow a greater Greenville.*

I hope you've seen all the incredible coverage we've received on television, social media, and in the newspaper. Check out the GWG [Facebook](#) page to see postings of all the news and the amazing photos taken by Amy Randall. You can also find GWG news on our [Instagram](#) and [LinkedIn](#) pages. Many thanks to our wonderful sponsor Community Journals for this [article](#) in the *Greenville Journal*.

A Sweet 16 celebration is not complete without a few surprises! Liz Seman, a member of the Greenville County Council and Greenville Women Giving, joined us to present a **proclamation from the Greenville County Council**. It was an honor to receive this special recognition. In addition, Co-Chair Diane Perlmutter unveiled a **beautiful book created to commemorate Greenville Women Giving's sixteen year history-to-date**. This large-size, hard-cover, 80-page book is filled with pictures of members, grantees, and events. First copies of the book were presented to Frances Ellison, Harriet Goldsmith, Sue Priester, and Bob Morris during the meeting and members picked up their copy of the book at the end of the evening. If you did not receive your copy, pick up times are: **Wednesday, June 15, 2:00pm - 4:00pm, Thursday, June 16, 11:00am - 1:00pm, and Friday, June 17, 9:00am - 11:00am at the Community Foundation office.**

Be on the lookout for your **Annual Report** which will arrive mid-June. It will recap our Sweet 16 year and share highlights of events and education sessions for the year ahead! We are very excited to be welcoming so many new members. You can see a list of our **68 new members** in the Annual Report!

As we begin planning for next year, **Greenville Women Giving needs sponsors**. We

are reaching out to our membership to see if you know an organization or company that would like to support our work throughout the year. *This is a great opportunity to support an over 500 women strong philanthropy that positively impacts the Greenville community.* Our education sessions, which bring together the community about important issues and innovative solutions, and other GWG events would not be possible without our amazing sponsors. Sponsor levels range from \$1,500 - \$10,000. Please email greenvillewomengiving@gmail.com if you have a potential sponsor(s).

Thank you for your continued dedication to Greenville Women Giving and your generosity.

Have a wonderful summer! See you all in September!

Susan Cinquemani, GWG Co-Chair
