

Honoring Women
Who Inspire Us

International Women's Day is March 8. Be sure to check out the March 6 [Greenville Journal](#) and see the impressive group of SHERoes who have been recognized by GWG members and friends. Thanks to everyone who participated and donated to the GWG endowment.

If you weren't at the Members Only Lunch, you may not know about the new GWG t-shirt. Perfect to wear when you're relaxing or working out. **It's available in sizes XS to XL for just \$15.** Order now and pick it up at the Annual Meeting. To order, click [here](#).

Catalist, the network of women's collective giving organizations, held a conference in mid-February in Seattle and GWG was well-represented by Maggie Glasgow (a Catalist board member), Sue Priester (a founding board member), Jane Pannier, Janet Sumner and me. We each attended different sessions over the conference and will be sharing some of the ideas we think might work for GWG. Janet and I presented a breakout session on traditional communications where GWG brochures, advertising and PR efforts received many positive comments. In addition to the learning and sharing, Catalist announced they were changing their name to one that is more distinctive (as well as able to be copyrighted).

Be sure to mark your calendar!
