

Spring is here despite what the calendar may say. GWG members are ready for a refresh and restart to gather, give and grow as individuals by giving collectively, granting strategically and growing a Greater Greenville as a collaborative non-profit.

Our GWG Members Only Luncheon also felt like a rebirth. After having to return to virtual gatherings, GWG hosted an in-person event in February. Over 130 members attended to learn about GWG grant making process and timeline, ballot selection and follow-on support for grant recipients. Obviously, everyone was ready to gather. It was wonderful seeing so many familiar faces.

You should have or will be receiving information in the mail about SHERo. Who is a SHERo? It could be a mother, sister, daughter, grandmother, aunt, teacher, mentor or even a boss. Behind every strong woman there are other strong women. To honor your SHERo, click on:
