

Summer has arrived to Greenville County. In May GWG had a very successful Sweet 16 year celebration by awarding 6 organizations \$517,495 at an in-person event attended by over 200 people. It was great being together, catching up with friends and making new friends. The GWG Co-Chairs continue to work with all the committees planning for more Giving Collectively, Granting Strategically, Growing a Greater Greenville.

Our first gathering will be the **Annual Fall Kickoff, September 14th at the Embassy Suites**. The first **education session** will be held **September 20th. Art for the Park and Public Space** will explore art in public places and the impacts in the surrounding communities.

**How can you help Greenville Women Giving?** There are still sponsorship opportunities available for 2022-2023. Sponsorships are very important in supporting our mission. There are four levels of sponsorships with several perks for you and your business. If you are interested or know someone who might be interested email [greenvillewomengiving@gmail.com](mailto:greenvillewomengiving@gmail.com).

Some members have expressed interest in GWG mentoring a girl's collective giving group. If you would be interested in joining an ad hoc committee to explore this idea, please email [greenvillewomengiving@gmail.com](mailto:greenvillewomengiving@gmail.com).

Everyone, enjoy your summer. Know that the Greenville Women Giving board and committees are working diligently this summer to make sure the 2022-2023 year is fun, educational, and impactful.
