

Happy November! The colorful leaves and crisp days of autumn seem to usher in a time of celebration and thanksgiving. GWG has had a full couple of months with the Kickoff, two education sessions, and several membership events. *I continue to be amazed by the generosity and dedication of all our members to the Greenville community!* **Thank you** for your continued support of GWG, our granting, and our events that spotlight Greenville nonprofits and needs in our community.

We have received many notes of gratitude for Greenville Women Giving's support of nonprofits. I thought this would be a great month to share some of them *as they are for you*, our members, who collectively make it all possible!

"Thank you to GWG for affording Julie Valentine Center the opportunity to share our clients' voices with the community."

"It was an honor to be featured as a grantee and for one of our YouthBASE moms to have this opportunity to share her personal experience..... it makes me proud to see what is possible when women put their hearts and minds to helping others with purpose."

"I love the hearts of all who serve to help build positive change in community. This is a beautiful picture of what "coming together" looks like. United we can create good! Thanks to all my friends who are a Greenville Woman Giver and all the organizations that are daily working to bring positive change to our community!"

Anniversary Celebrations: Is this your anniversary year with GWG? Join us and connect with other members who joined the same year and hear from GWG grantee, United Ministries. Your invite was emailed. **Please reply by November 5.**
