In Case You Missed It – ICYMI:

In 2025, GWG awarded Greenville Theatre $50,000 to replace the dilapidated and unsafe stage flooring that had not been replaced since 1967. New stage flooring was installed in August 2025 to mark Greenville Theatre's 100th Anniversary Season.

The official unveiling of the new stage floor on August 26, 2025 successfully completed the GWG 2025 grant award! Click here for more pictures of the reveal!

Thank you so much for your generosity and commitment to GWG which helps provide a significant investment in Greenville County! The 2025-2026 GWG annual contribution statements will be mailed later this month and the December 1 due date will allow us to determine our grant pool for 2026. We hope to see you at the Kickoff Event as we begin our 20th year of Giving Collectively, Granting Strategically and Growing a Greater Greenville.
